March 21, 2002****RESOLUTION**

RESOLUTION T-16640. REVOCATION OF CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY OF 18 COMPETITIVE CARRIERS FOR FAILURE TO COMPLY WITH COMMISSION DECISIONS.

SUMMARY

This resolution revokes the competitive carrier Certificates of Public Conveniences and Necessity (CPCNs) held by the 18 companies listed in the Discussion Section for failure to comply with Decision 93-05-010, Ordering Paragraph 4.

BACKGROUND

Decision 93-05-010 Ordering Paragraph 4 states that the Commission will consider the revocation of competitive carriers that are more than 90 days late in filing annual reports and remitting surcharges.

Several steps were taken to locate the 19 companies and determine their status:

1. Telecom Division's (TD) record of surcharge payments was searched.
2. Warning letters of pending revocation were sent to companies' last known addresses.
3. Notice of company names to be revoked was placed in the Commission Calendar. Interested parties were invited to call Telecom Division staff with questions or comments on these carriers' revocations.

DISCUSSION

Our records show that all surcharges have been paid.

The results of each search for these companies may be summarized as follows. TD's records show that none of the companies has submitted either surcharge forms or surcharges during the calendar years 2000 and 2001. Warning letters were sent to all the companies; however, no response was received from any company. TD's draft resolution in this matter was noticed in the Commission's Daily Calendar beginning on _____, in accordance with PU Code Section 311(g)(1). Comments were received from _____ on _____.

FINDINGS

1. The companies on the above list were certificated by the Commission as competitive carriers.

2. Adequate measures were taken by Telecom Division staff to locate these companies. Each company had failed to respond to TD's communications. It is, therefore, reasonable to assume that these companies are no longer providing public utility service.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled for failure to comply with D.93-05-010 Ordering Paragraph 4.

THEREFORE, IT IS ORDERED that:

1. The competitive carrier Certificates of Public Convenience and Necessity granted to the following companies are revoked:

	<u>Type</u>	<u>CPCN#</u>	<u>Company Name</u>
1.	IEC	5527	MTC Telemanagement Corporation
2.	IEC	5537	Lyrikn Communications, Inc.

7.	IEC	5567	Mariners' Telecomm Group, Inc.
8.	IEC	5569	Info Tel, Inc.
9.	IEC	5573	Preferred Telecom, Inc.
10.	IEC	5576	Total World Telecom, Inc.
11.	IEC	5585	ABC Telecom
